

LAKEHEAD AMATEUR RADIO CLUB

January, 1953

MONTHLY BULLETIN

---

The next meeting of the Lakehead Amateur Radio Club will be held on Tuesday, January 22nd at the RCAF Building, Victoria Ave. Please note that the meeting is on Tuesday and not Wednesday, we hope this change will help the attendance.

For the meeting we are going to have a demonstration and discussion on Grid Dip Meters, we hope to have two or three types on hand including Heath Kit Models.

We are unable to promise movies this time, the RCAF have no projector but are expecting delivery of a new one soon.

NOTE FROM DEPARTMENT OF TRANSPORT - Re 40 Metres etc.

AMATEUR LICENCE CONDITIONS

Effective 12th January, 1953, Canadian Amateur Experimental Stations are authorized to use A3, and F3 emission in the band 7200 - 7300 kc's., operation being limited to stations having unrestricted radiotelephone privileges.

Approval has also been given to use Frequency Shift Keying, maximum band width 850 cycles, in the band 7150 - 7200 kc's., effective on the same day.

No other amendments to Amateur licence conditions for the fiscal year 1953-54 are anticipated at this time.

- - - - -

VE3DQI (perhaps Harold Dow - VE3DBI?) Now located at the Sault was in town over the holiday period, but has returned to the other end of the lake. Look for him on 40 Metres.

Della O'Shea - VE3DMX has been heard on 40 and 75.

Bert Tamblin - VE3ANP was heard working ZS one afternoon recently, good work Bert.

Ted Dunderdale - VE3BBO and Bert Lambert - VE3BKY heard on 10 metres.

Much activity from Bill Roberts - VE3ARN these days on 10 and 20 and now on 6.

Harry Stephens - VE3AIT has completed his transmitter and will soon be operating on 75.

Pat O'Shea - VE3FW is still handling a considerable amount of traffic on the Ontario Phone Net.

We would like to see more of the boys in on the Local Rag Chews.

Let's TRY and make 100 percent attendance at this meeting.
